business capacity. Mr. Lewis was a graduate of Yale university and prominent sociality.

It was stated Monday by Obadiah Butler, vice-president and general manager of the Connecticut Mills company, that associate officials of Mr. Lewis were shocked by the news of his sudden death. Asked as to the probable effect on the Connecticut Mills company. Mr. Butler stated that, the business would proceed without interruption. The situation has improved materially during the past three weeks, Mr. Butler said, and production is being gradually increased.
